# Anthem Blue View Vision<sup>SM</sup> Basic Eye Care & Eyewear Discounts

**Your Blue View Vision network**

Blue View Vision offers you one of the largest vision care networks in the industry, with a wide selection of experienced ophthalmologists, optometrists, and opticians. Blue View Vision's network also includes convenient retail locations, many with evening and weekend hours, including LensCrafters<sup>SM</sup>, Target Optical, and most Sears Optical and Pearle Vision locations.

Best of all - when you choose to receive care from a Blue View Vision participating provider, you receive **full in-network benefits and money-saving discounts**.

**Out-of-network services**

Did we mention that we're flexible? We offer you the option to receive care outside of the Blue View Vision network. If you choose an out-of-network provider, you will receive an allowance toward services and you pay the rest. **Network benefits and discounts will not apply.** When you receive eye care or eyewear from a non-participating provider, you will pay in full at the time of service then file a claim for reimbursement.
